Guapo's Tortilla Shack is a casual, Baja-style tortilla shack serving the best darn fish tacos this side of the Bridge. Easily accessible, family-friendly, and ingredient-driven, Brewster native Kyle Parker and his wife, Danna, are committed to his hometown roots ... and to serving "simple food done well" without any fillers, preservatives, or attitude! Mexican-inspired everyday favorites like the famous fish tacos with signature lime sauce, fresh guacamole with house-made chips, California-style burgers, and grilled street corn hand-shaved from the cob are prepared daily: simple, hearty, healthy, fresh.

Changing the world one taco at a time, the GUAPO's team believes that local community is as important as a commitment to scratch-made ingredients. With a fund-raising goal of \$20,000 annually, our GUAPO's GIVES program seeks to effect real change through social action and community involvement. To date, GUAPO's GIVES has proudly supported a broad range of local nonprofits including Cape Abilities, the Animal Rescue League of Brewster, Latham Centers, the Orleans Elementary School Parent Teacher Committee and 4 Paws for Zachary among others.
